Directions by road

From A14 eastbound:

- Take directions towards Cambridge.
- Exit onto the A1096 towards St Ives.
- After about one mile take the second exit at the roundabout.
- Over the river.
- At the next roundabout take the third exit on to Meadow Lane.
- After 100 meters turn right into the car park and immediately right again.
- 42 Technology is in the lefthand side of the building at the end of the first part of the car park.

From A14 westbound:

- Exit at the A1096 to St Ives.
- At the first roundabout take the first exit, this takes you over the bridge across the A14.
- Then follow the directions above.

Parking

We aim to keep the first two places nearest the building reserved for visitors.

By train

The nearest train stations are Huntingdon or Cambridge, both offer fast trains to central London.

By air

Stansted and Luton Airports are about 40 minutes away.

Taxis
