### Directions by road

From A14 eastbound:

- Take directions towards Cambridge
- Exit onto the A1096 towards St Ives
- After about one mile take the second exit at the roundabout
- Cross over the river
- At the next roundabout take the third exit onto Meadow Lane
- After 100 metres turn right into the car park and take the second right
- 42 Technology is straight ahead of you

From A14 westbound:

- Exit at the A1096 to St Ives
- At the first roundabout take the first exit, which crosses over the A14
- Then follow the directions above

### Parking

Visitors' parking spaces are directly in front of the building on the left hand side: we keep the first 4 spaces free for visitors

### By train

The nearest train stations are Huntingdon or Cambridge and both offer fast trains to central London

### By air

Stanstead and Luton airports are about 40 minutes away
